# Seniors Movin' Out

**Cindy Anderson** has attended Grace for three years. She has been very active in sports, playing varsity volleyball, basketball, track and softball. One time in volleyball and eight times in basketball she was elected to all-tournament teams. Last year Cindy participated in the Tulsa Miss Teen Pageant where she was voted Miss Photogenic. Last year also, she was voted outstanding female student by the teachers and students at Grace. She plans to attend college in the fall and is interested in pursuing a career

in teaching physical education to retarded children.

**Tom Grein** arrived in January from Michigan to keep the senior class from being all female this year. He played on Grace's basketball team. He is interested in music, sports, business and computers; and he plans to attend ORU to major in management and information systems.

**Marcia Carroll** is at Grace for her first year. She has played on the volleyball, basketball, and softball teams. She loves to swim, water ski, and go to the beach. She desires to attend ORU in the fall where she wishes to study to become a business lawyer.

**Brenda Glassford** has attended Grace since she was in the eighth grade. She has participated in volleyball, basketball, softball and track for four years. She was our Homecoming queen this year. Right after graduation Brenda will move to Florida with her family. She would like to attend a small college to study secretarial work. Brenda enjoys horse back riding and sports. She hopes to play basketball on a college team.

This is **Tamela Bever's** second year at Grace. She played volleyball for two years and softball for one. She was manager of the basketball team for two years. Tamela likes to work in her spare time. After graduation she wants to attend a trade school for travel agents. She sees a move to the Hawaiian islands as a possibility for the future.

**Karla Kellstadt** has been at Grace three years. She attended her freshman, sophomore and senior years. Karla's parents moved to Ohio after her sophomore year and she got their permission to return to Grace for her senior year. She has been involved in all of Grace's sports, and she is president of the senior class. After graduation Karla hopes to pursue a social work career where she can help abused adolescents and their families.

**Tiova Boardman** moved to Tulsa in 1982 from Saskatoon, Saskatchewan. She is the vice-president of the senior class and has been a manager of both the basketball and volleyball teams. She is interested in drama, singing, ballet and dance. Upon graduating she would like to travel to Toronto, Canada to be part of a six-month tour with a Youth With a Mission group. She has attended Grace for a total of two years.

# Basketball

We have three boys basketball teams: an elementary team, a junior high team, and a high school team. Our elementary team won first place in the Greater Tulsa Christian Athletic Conference. Their seasonal record was 11-1. The junior high team also won first place in the conference. Their seasonal record was 25-5. Our senior high team steadily improved throughout this year. They had a seasonal record of 11-19 and for the first time, went to regional playoffs. Eric Corum was the best scorer with about 560 points. He also was selected second team all-regional player, all-tournament at the Life Christian Tournament, and all-conference out of three states. Robert Moran, Bobby Meyer, and Eric Corum made all-district players. It was the best year ever for boys' basketball.

3rd row — Dean Meyer, Tim Stewart, Stanley Hunter, Lance Wadley, Coach Sweat 2nd row — Ishmael Moss, Eddie Storino, Nathan Hood, Chase Day, 1st row — Russell Rupe, Scott Metzger, Bobby Mason.

**Mrs. Sweat speaks the Word over the boys.**

# Basketball

Here at GFCS, basketball is probably our most important sport. We have three girl's basketball teams — elementary, junior high and senior high. They all did very well this year, but the team that deserves special recognition is our senior high team. Coached by Mrs. Moran, our team finished the season with a 33-1 record. They also won this year's Tri-state Championships. Coach Moran was chosen to be the "Coach of the Year." The team and Mrs. Moran worked very hard and the work really paid off.

run . . .

run . .

1st row — Coach Neil Sweat, Renae Clark, Patti Kraft, Lori Jacobs, Andrea Byers, 2nd row — Raven Powell, Sonia Doton, Tere Mendez.

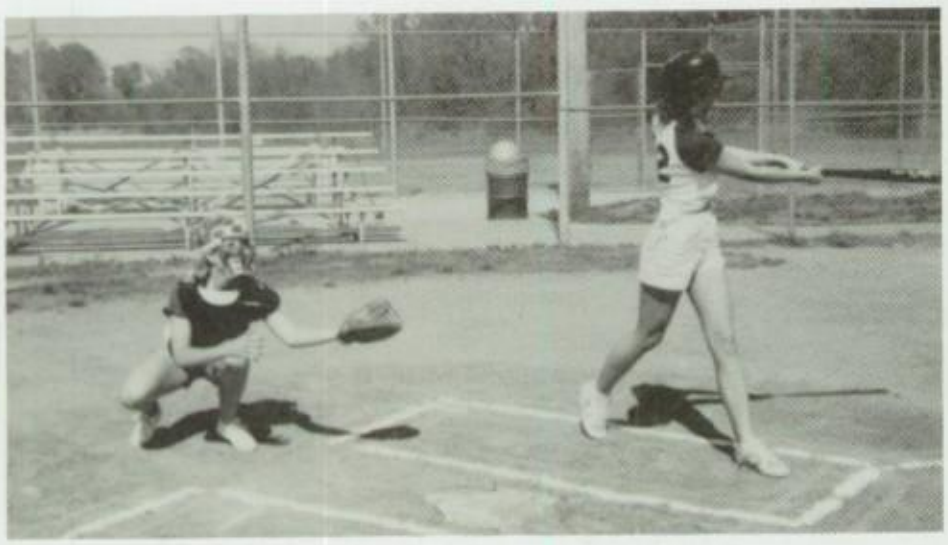
# Track

t row — Bo Byers, Jerred Sweat, 2nd row — Jeff Huffines, Rod Grimes, Coach
arry Jones, 3rd row — Tom Grein, Sam Grein.

# Softball

At Grace softball is not a major sport, but a lot of girls went out just for fun. Our team consisted of both junior and senior high students. Our record at the end of the season was 7-5.



**Don't miss, Jocelyn!**

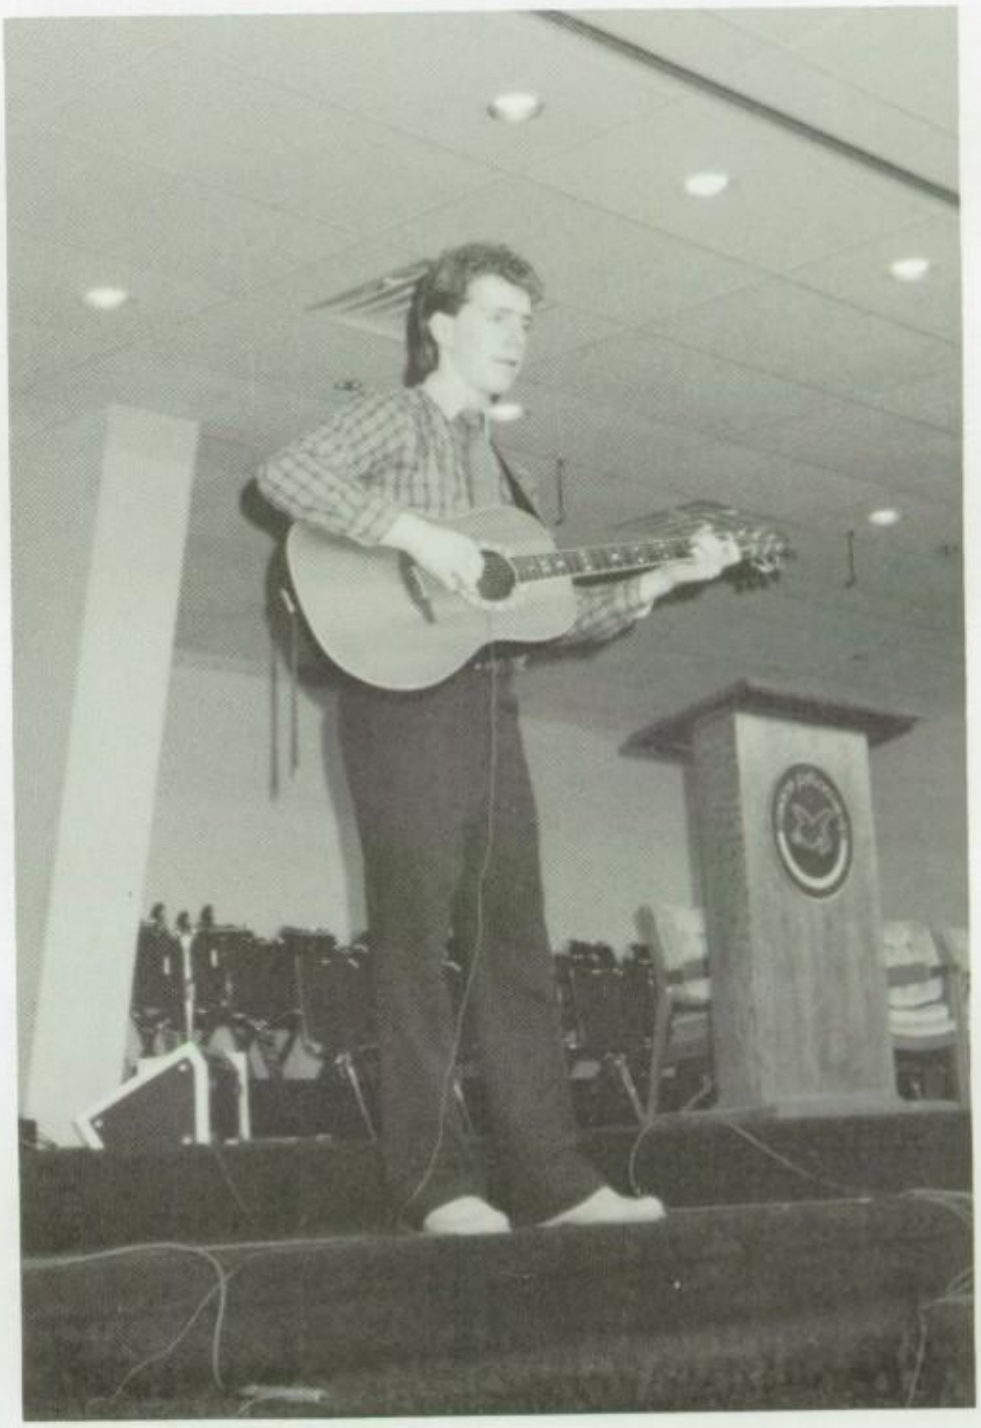
3rd row — Brenda Glassford, Cindy Anderson, Karla Kellstadt, Shari Stewart, Michelle Robinson, J
row — Gina Myers, Marcia Carroll, Jocelyn Corum, Kim Durden, Coach Moran, 1st row — T
Mendez, Reann Clark, Renae Clark, Stacie Carroll, 4th row — Ana Mendez, Susie Shafer.

# Cheerleaders

GFCS had a terrific group of cheerleaders this year. There were two squads, a high school squad, and a junior high squad. Kim Durden was the captain of the high school cheerleaders, and Tere Mendez was the captain for the junior high squad. The cheerleading sponsor was **Pam Risto,** who did an excellent job of organizing. The cheerleaders spent much time learning cheers and routines. We could spot them at every game, cheering their teams on to victory.

t row — Sonia Doton, Shanan Teague, 2nd row — Cerese Wilson, Alison Catron, 3rd row — Marianne Patten, Tere Mendez, 4th row — Stacie Irwin.

Susie Shafer, Kim Durden, Ana Mendez, Hut Van Pelt.



# ACTIVITIES

ACTIVITIES

ACTIVITIES

# GFCS Catches the Spirit

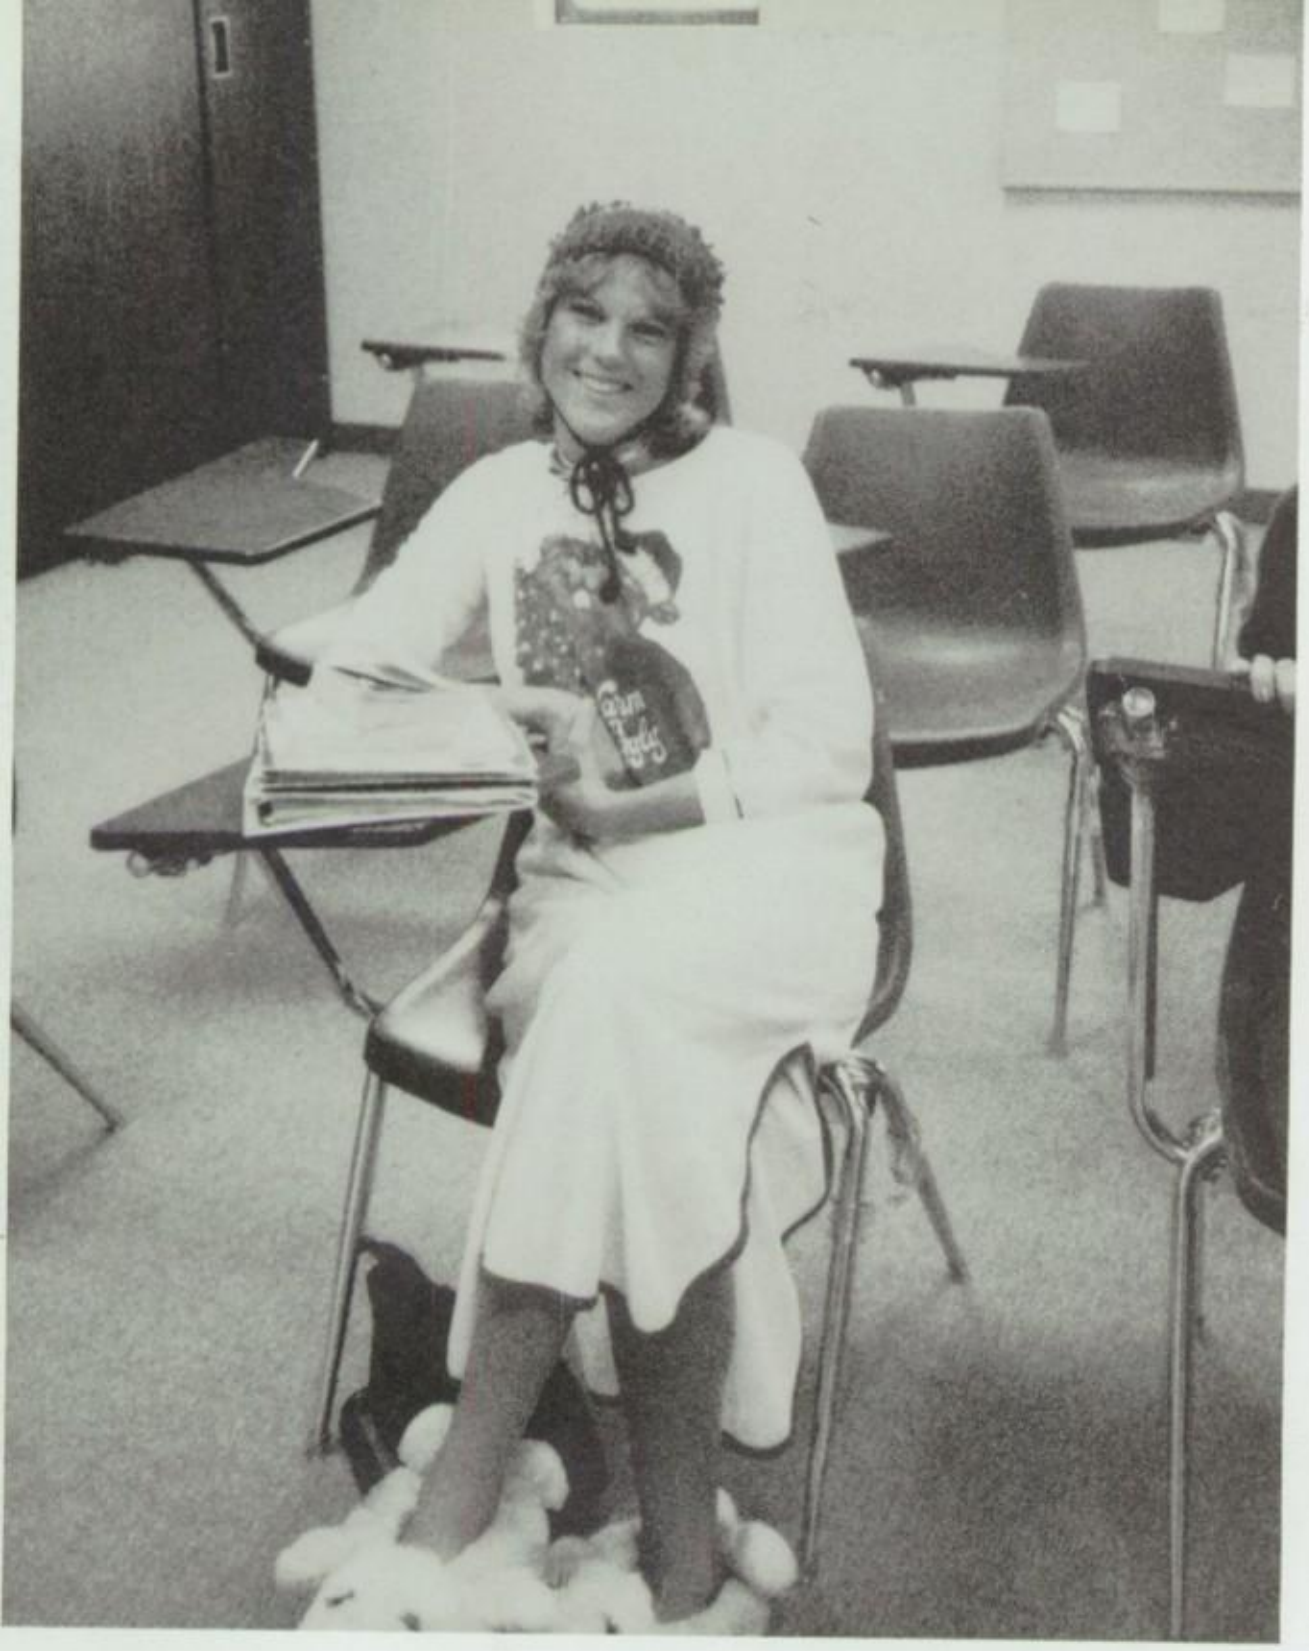
Every year Homecoming is preceded by Spirit Week. Each day students and teachers are encouraged to dress up according to the day's theme. The week culminates with the big homecoming basketball games and the crowning of the queen and her court.

This year sweat suits and tennis shoes marked the beginning of Spirit Week '84 at GFCS, so students began to shape up for Homecoming night.

**Go maroon and grey.**

**A baby caboose**

**Top man**



Fifties Day, one of the highlights of the week, brought back to our remembrance the days of bobby socks, and hair-grease — which several of the students later regretted putting in their hair!

Baby bottles and diapers instantly transformed the more mature students to GFCS, to tiny tots on Baby Day.

Spirit week came to its end with School Color's Day. Students proudly wore the school colors, maroon and grey, as the excitement for the evening's Homecoming games was rapidly building up!

**Miss Photogenic herself.**

**Class goes on as normal, hats and all.**

The excitement had been building for a week. Friday finally arrived, and students were kept busy decorating for the evening's Homecoming activities. The gym was decorated in maroon and white, with balloons and streamers over the Queen's throne.

That evening Homecoming began with the Lady Eagles playing the Moody Eagles, and winning, the score 70-20.

Between the games was the crowning of this year's Homecoming Queen, Brenda Glassford, escorted by Tom Grein. Erin Moran, carrying the crown, led the procession. Mr. Wadley put the cape on Brenda, and Mrs. Wadley placed the crown on her head, and presented her with flowers.

The senior attendant was Cindy Anderson, Gina Myers was junior attendant, Shari Stewart was sophomore attendant, and Jocelyn Corum was this year's freshman attendant.

After the coronation, came the Senior Boys' basketball game, against Moody Christian Academy. It was a thrilling game, with the score 61-58 for the eagles in overtime. We couldn't have asked for a better finish.

After the game, everyone went to Sunchase Apartments to celebrate the evening's victories with swimming, pool playing, and good food.

**Ana's creation for homecoming '84**

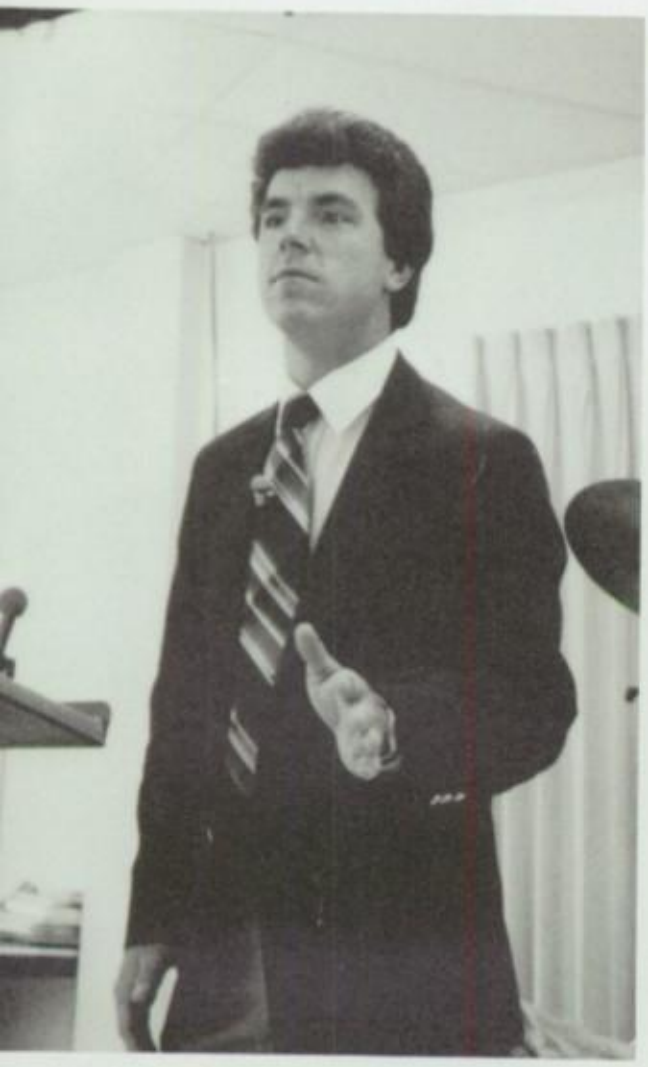
# Chapel

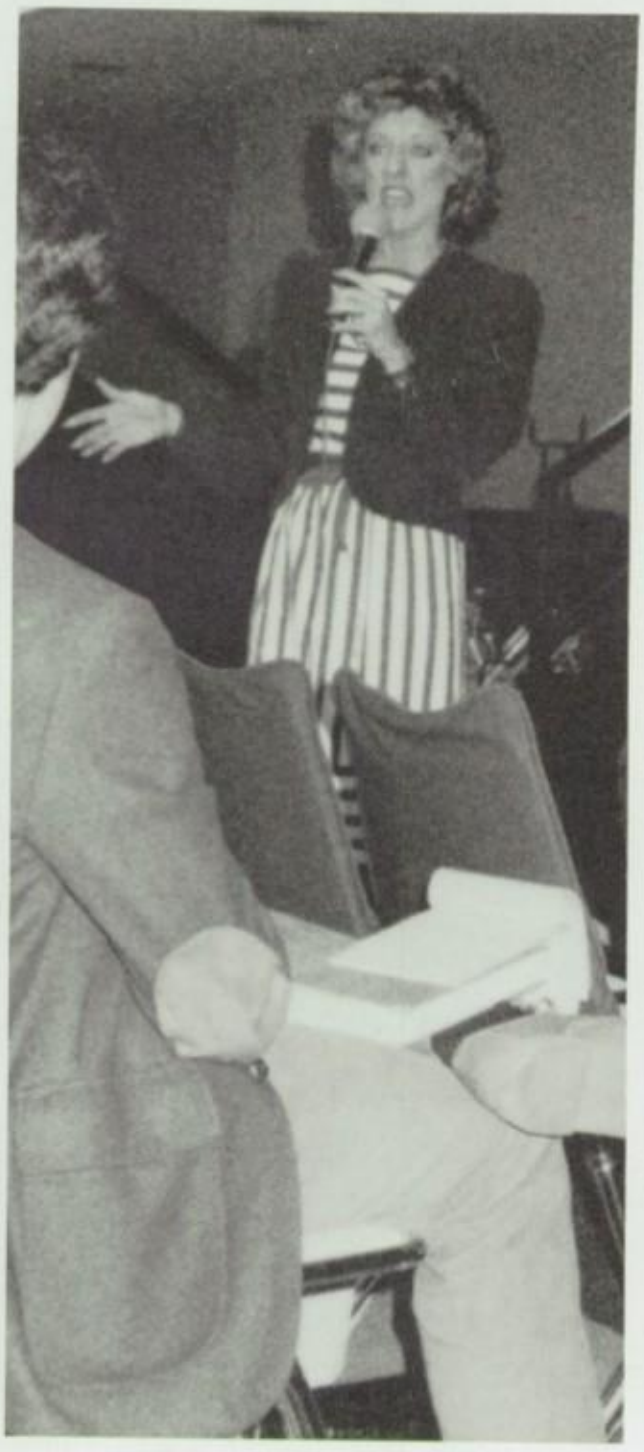
Every Tuesday morning, first hour is chapel. Led by **Joe McGee** the children from K-4 through 6th grade learned how to praise and worship the Lord, and learned from the Word. It is amazing to watch these children in chapel; they show such joy and power when the spirit moves upon them.

Dance, dance, dance . . .

# High School Chapel

Wednesday mornings the junior and senior high met in the auditorium. Pastor **Dave Norris** taught straight from the Word, and spoke about issues that effect a teenager's life. We were also blessed by guests such as **Stephanie Boosahda, Bill Grein, Charles Moran,** and others.





# New Classes and Clubs

The 1983-1984 year at Grace marked the addition of several new classes to the school. We have added typing and shorthand courses, preparing students for the business world. We have also added Home Economics to our curriculum, teaching the students the basics of cooking and sewing. Band was begun this year. There were junior high and high school bands and an after school elementary band. In the elementary a four year old kindergarten was added.

The Spanish Club at GFCS gets together once in a while to go out and try out their "Espanol" on unsuspecting strangers. (Usually in Mexican restaurants.) The Pep Club had a fun time as students all got together to root their teams on to victory at various sports events. We also had a Horseshoe Club under the direction of Mr. Hovenesian.

Brush your teeth.

K-5

# Field Trips

Field trips were a highpoint of the year for many classes. The kindergarten has gone to nursing homes to minister in the past and this year was no exception. On Valentine's Day both kindergartens went to the Convalescent Center. The children sang songs and recited Scripture for the people. Then they passed out heart shaped cookies with smiley faces and "Jesus loves you" written on them. They also passed out valentines and hugs. You can see from the pictures that much love was shared.

**Won't you be my Valentine?**

**Can I touch you?**

**Our Special Valentine.**

A beginning of the year field trip was a visit to Grace's new building (before we moved!) by the younger classes. The senior high home economics class went to Jo-Ann's Fabrics where the girls picked out patterns and material for their first sewing project of the year. A trip to the zoo by the first grade included visiting the elephants and waiting for the train.

The high school went on a float trip on the Illinois River for two days in the beginning of May. The mighty Illinois dumped several canoes, but no one was hurt. A good time was had by all.

A hayride was a fun fall field trip for the first grade.

Several elementary classes had a blast at a visit to McDonal

# Spring Fair

The GFCS first annual Spring Fair took place on May 12. It was sponsored and organized by Grace's PTF.

Each class participated by having its own booth. The junior class had a dunking tank. It seemed that the people being dunked had more fun than the dunkers! Other classes had such things as drop the balls in the bottle, balloon popping, air trampolines, basketball shoots, and even a puppet show. Horse rides and go-cart rides were given. Some GFCS parents put together excellent food, and arts and crafts booths. Even though it was a hot day, many people showed up, and the fair made a good profit. The money that was made will be used for playground equipment. The students and the PTF worked very hard preparing for the fair, and much planning and organizing went into it.

We hope that the Spring Fair will become a tradition — it was great.

**Country Time**

**Splash?**

**Sweet revenge!!**

It's the John and Viccijo Witty Show . . .

# Spring Banquet

Monday, April 16, was the Grace Fellowship Senior High Banquet. Students arrived to the annex beautifully transformed by the Student Council, dressed in their finest attire. Usually rowdy boys became perfect gentlemen, and giggly girls became the most charming of ladies. After dinner, the students and staff were entertained by a fantastic comedy team, John and Viccijo Witty. These two were the highlight of the evening; everyone enjoyed their skits depicting various aspects of a Christian's life. After the Wittys' performance was a time of fellowship and picture-taking, then the students went their separate ways, with the memory of a satisfying and enjoyable evening behind them.

**Mrs. Runnells and Mrs. Mason — Student Council Sponsors.**

**Senior Beauty**

**Mr. and Mrs. Wadley enjoy the Wittys' humor at dinner.**

# AWARDS!!!!

Award's Night is a highpoint of the year. It is the time set aside to acknowledge excellence in the classroom and in the school. Each teacher goes to the front and gives out the awards for his class. It is an especially exciting evening for the students who excel in all of their classes and receive four or five awards! It is exciting to be acknowledge as the best spelling, history, or English student in your class. Students are also given awards for being the best Scripture memorizer or helper. Excellence in music was also recognized.

The biggest awards are trophies and they are Outstanding Christian Character awards. Two children from each class in the elementary and several from the junior high and high school are chosen for this honor. These students are recognized as spiritual leaders in their grade.

Congratulations to every student who received an award!

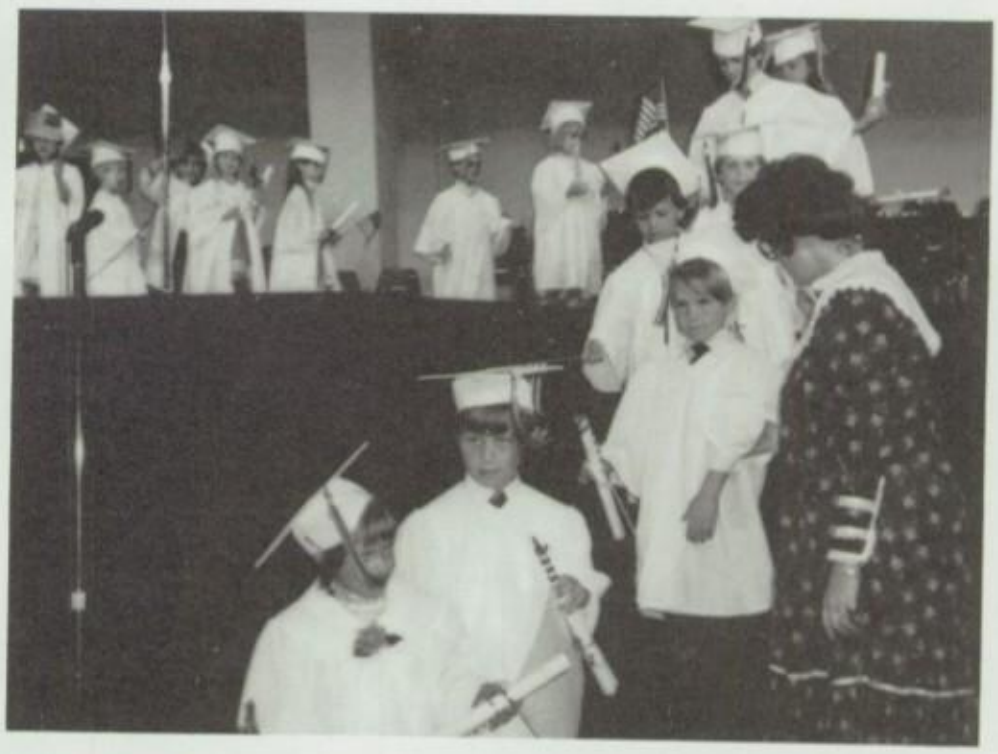
# Kindergarten Graduation

Kindergarten graduation was held at Grace on Monday, May twenty-first. A fine group of twenty-four kindergarteners in caps and gowns received their diplomas just as their senior counterparts did a few weeks before.

The evening had many special parts. A few children led in prayer and read Scripture. All of the children recited Scripture memory. They sang songs led by Miss Lee, and they also sang Spanish songs taught by Mrs. Mason. John Davis played the piano. The special speaker was Mr. McGee who told the children the story of David and Goliath.

The most exciting part of the evening for the students was receiving their diplomas from Mrs. Meyer and Mr. Wadley. After each child had gotten his diploma, Mrs. Meyer had the children move their tassles from the right to the left to show that they were now first graders. Graduation ended with Mr. Amstutz singing the theme song of graduation "Lion of Judah."

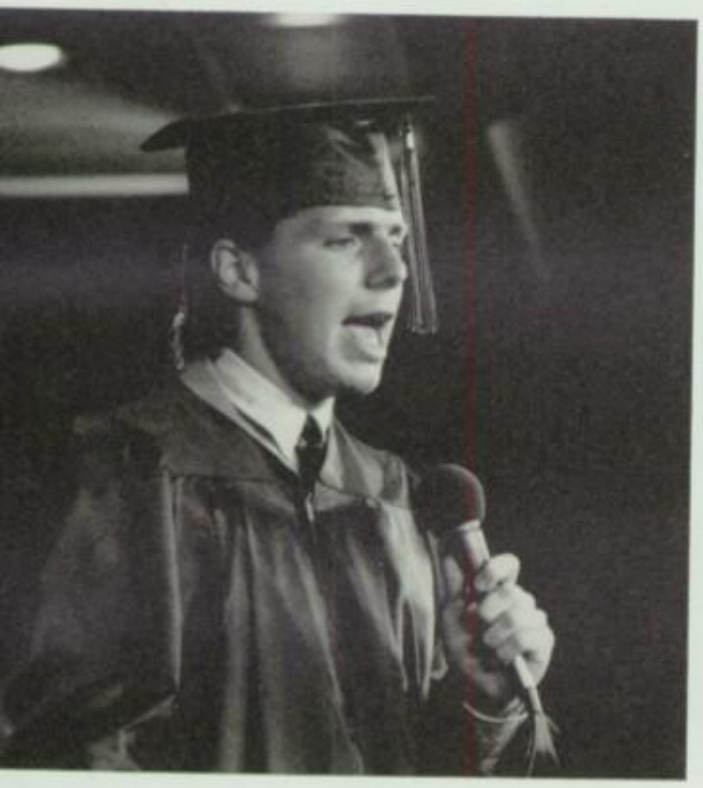
We ask the Lord to water and nurture the Word of God that has been sown into the children's hearts this year at Grace.

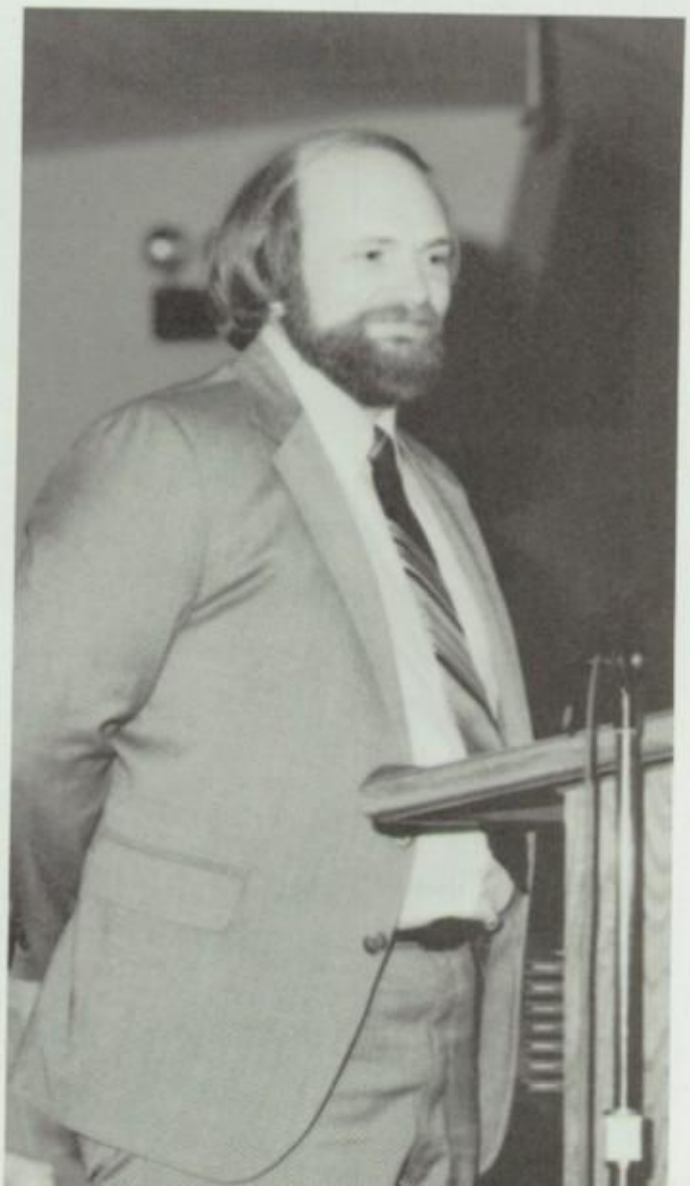


# Graduation

Evangelist Sandy Brown

Pastor Yandian prophesies to Tamela.





Grace's 1984 graduation began with Tom Grein welcoming family and friends to the graduation, and then Tamela Bever said the opening prayer. A scripture was read by Marcia Carroll, and Brenda Glassford gave a tribute to the special teachers at Grace. Principal Don Wadley introduced the evening's special speaker, Sandy Brown.

Pastor Yandian shared with the class and told them some things he hoped they would remember after graduating, and then laid hands on them. Karla thanked the Pastor and responded for the class of '84. Tiova said the benediction, and the evening came to a fantastic close with a song by Tom Grein.

## Moving Up . . .

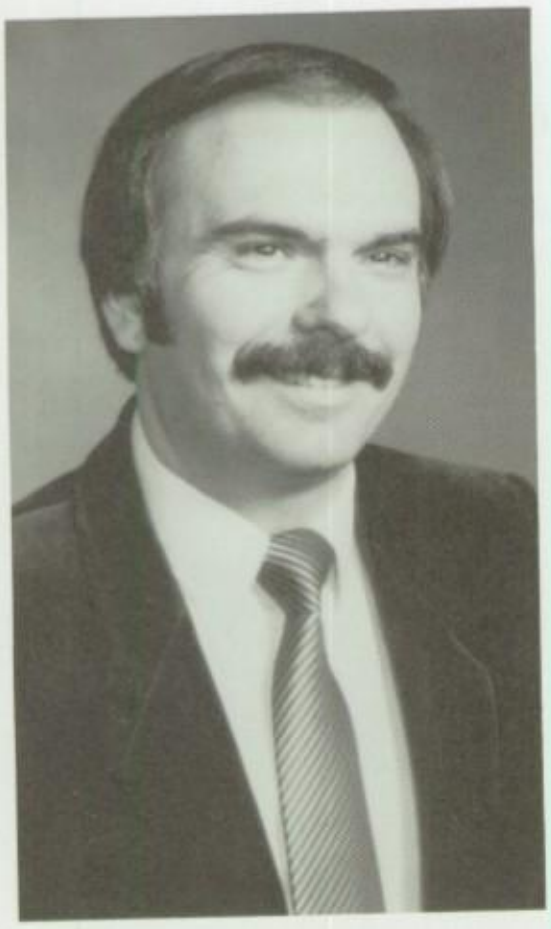
This year at Grace Fellowship Christian School was one of changes, of moving on with what God has planned for us.

In November of 1983 we moved from our old building and annex to a big, beautiful, new facility. It was a long-awaited move, and we are excited that the goal was finally reached.

We moved on in our curriculum. We now have music for all classes kindergarten through sixth grade, plus several bands which allows the junior high and high school students to get involved in music also. We've also added a four year old kindergarten; typing, home economics, and shorthand have been added to our class offerings for the high school.

We've moved up in sports. We added several elementary teams to our program. Our high school basketball teams had the best records in Grace's history. The girls' team topped off the season by winning the Tri-State Championships. A football team is on the horizon.

Everyday God is in our midst to help us personally move on with Him. We believe each year at Grace will be better than the year before, because each child and adult is growing in God. That is the way it should be, for in Him we live, and move, and have our being.



# THANK YOU

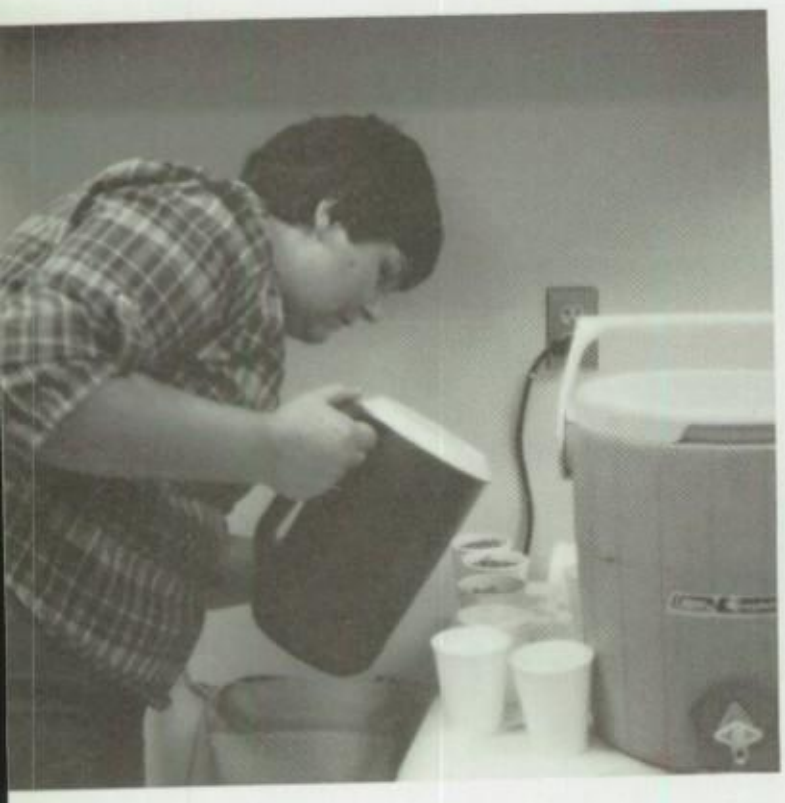
The year would not be complete without thanking the many people who make our school work. First we want to acknowledge Pastor Bob Yandian. As the Pastor his support of the school is vital and we appreciate his backing.

We next wish to thank Don and Christie Wadley. They care about the students and the school and they are working for excellence at Grace. Grace continues to improve year after year.

Patsy Houk is our school secretary. She has the double (or should we say quadruple) job of serving Mr. Wadley, running the office, and keeping twenty odd teachers informed and happy. things this year.

A volunteer who was here most days all year was Lee Ammon "Miss Lee" to K-5. She was a Godsend to Jeanne Meyer as she faithfully volunteered her time.

The last people we want to thank are our intercessors. We have no idea who they all are. These people are the backbone of our school because they



fight the enemy on the school's behalf and get jobs done in the super-natural making it possible to accomplish much more than we could ever do through our own efforts.

All of you are appreciated and we pray that God will richly bless you for the time you've given to Him by giving it to Grace.

She is good at her job and we appreciate her.

A school wouldn't be complete without volunteers because it seems as if there is always something else to be done. We had several faithful volunteers in the office who made Patsy's job easier. We had many parents who helped in individual classrooms by bringing food, car pooling, filing etc. Many parents worked in the PTF which does a variety of good things for our school. Plus, many parents worked at the concession stand and manned the booths at the spring fair. There are many things to put your hand to at Grace. We appreciate those who put their hands to these
